President, Jo Anne Lewis, called the special meeting to order at 2:40pm, June 21, 2014, at Beth Dennis' home.

Sherryl McGuire moved that the first priority of our next board meeting cover what to do about the organ for the school. Beth Dennis seconded the motion and motion carried.

Sherryl McGuire motioned that the board fund up to \$400 for cheerleading uniforms. Beth Dennis seconded the motion.

Iris Studenny called for discussion and asked why aren't the spirit support group/families helping to buy uniforms? They keep adding to the overall numbers of cheerleaders. What if some are disqualified?

Sherryl said that Vice Principal Lindsey Starr approved of the added cheerleaders.

Jo Anne called for the vote and motion carried.

Paul Thomas said that we need more support from the TPS leadership.

David Rader said that our board will become a real player when we accumulate enough money.

Jo Anne again reminded us of donating to the foundation. It will look good if we can tell the community that 100% of the board has donated.

Steve Wright said that if anyone has any questions about the organ, give him a call.

Jo Anne adjourned the meeting at 3:00pm
